

# PORTFOLIO OF ALEX

Maseno University | Poetry Enthusiast

## About Me

I'm Purelyalex, a student at Maseno University with a passion for technology and creative expression. I'm eager to leverage my skills in software development and web design to build innovative solutions and contribute to meaningful projects.

## Skills & Expertise

### Programming:

- Python
- JavaScript
- C++

I possess a solid foundation in several programming languages, including Python, JavaScript, and C++. I'm proficient in developing web applications using HTML, CSS, and JavaScript, with a focus on creating responsive and user-friendly designs. I'm always eager to learn new technologies and expand my skillset.

### Web Design:

- HTML
- CSS
- JavaScript
- Responsive Design

## Projects

I am currently building my portfolio, and several projects. However, I am passionate about online writing and sharing of interests on my socials.

## Other Interests

Beyond technology, I'm a passionate poetry enthusiast. I find that the creative process involved in writing poetry complements my technical pursuits, fostering a unique perspective and approach to problem-solving.

## **Additional Skills**

- Data Analysis
- Problem Solving
- Teamwork
- Communication

## **Summary**

Am a highly motivated and skilled student at Maseno University with expertise in programming and web design, and with a passion for technology and creative expression. I am eager to learn new technologies and expand my skillset. I am passionate about my work and am always looking for new challenges.
